

Welcome to Sweden!

Below you find some important information regarding transport service in the tournament. Official point of arrival is Stockholm Arlanda Airport (ARN) from where transports will be provided.

Due to rebuilding on the Terminal 5 (T5), all landside T5 is closed except for departures and therefore it is very restrictive. In practice, the T5 is actually the Terminal 4 (T4) (the bus terminal) so you are kindly asked to walk the 5-8 minutes it takes between the T5 to the "old domestic" T4. This is valid until further notice (at least a few years ahead). It is well signposted all the way to the T4 and buses. We apologize for any inconvenience this might cause you but it's out of our control.

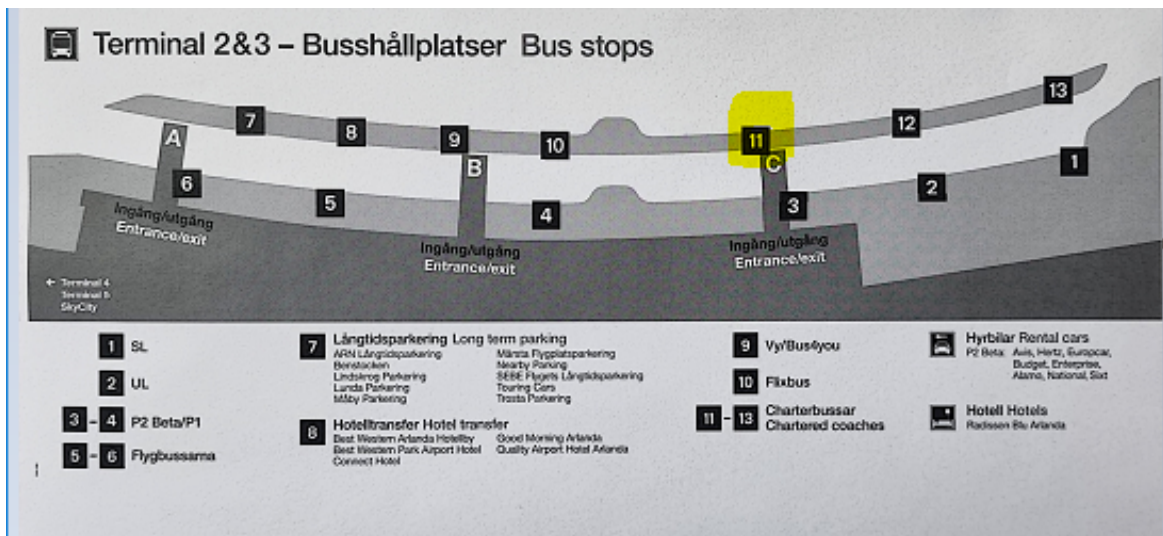

Due to covid-19 and other reasons our drivers **will be waiting for you outside**, we won't meet you in the arrival hall so it's **important that you follow instructions/map to locate us**. Info will be shown on the arrival display for you as well but also below. **Please note that face mask is mandatory during transport.**

If your arrival is in Terminal 5 you're asked to locate our driver on bus stop 14 (Terminal 4).

If your arrival is in Terminal 2 you're asked to locate our driver on bus stop 11.

If you have any questions, please don't hesitate to contact us on phone no. +46 70 410 50 77 and we'll gladly assist you.
